BYLAW VIII
Recall of Elected Officials

Section 1. The elected officials of the Section (officers or elected Executive Committee members) are subject to recall for neglect of duties or conduct injurious to the SOCIETY. Recall procedures are not applicable to Councilors and Alternate Councilors elected by the Section.

Section 2. The recall of an official shall be initiated when a signed petition, indicating in writing the specific charges and reasonable substantiating evidence, is submitted to the Chair from at least five voting members of the Section. In the event the Chair is the official in question, the Chair-Elect shall receive the petition and shall assume the duties of the office of Chair with respect to this issue until the issue is resolved.

Section 3. The Chair shall, without delay, determine that the petitioners are aware of the gravity of their actions and the procedures to be followed. The Chair shall seek an alternate resolution to the problem and a withdrawal of the petition at this time. In the absence of a resolution to the problem, the Chair shall present the issue to the Executive Committee as a new business item at the next Executive Committee meeting.

- a. The Executive Committee shall promptly continue the recall process or dismiss the petition as ill-founded or find an alternative solution to the problem. The Chair shall promptly inform the petitioners and the official of the decision of the Executive Committee.
- b. If the proceedings continue, the Chair shall assign the duties of the official to another qualified member of the Section until the issue is resolved.

- c. If the proceedings continue, the official shall be offered an opportunity to answer the allegations in the petition before the Executive Committee. Every reasonable effort shall be made to contact the official throughout this procedure. That effort shall include a certified letter to the last known address on the official SOCIETY membership rolls. Upon notification, the official shall have thirty days to make a written response to the allegations. The Executive Committee shall decide whether to proceed after studying the official's response. The Chair shall inform the official and the petitioners of the decision. If no contact with the official can be made after a reasonable effort, the Executive Committee may remove the official in question with a two-thirds (2/3) vote of the remaining members.
- d. If the proceedings continue, the official shall choose one of the following options:
 - (1) The official may resign.
 - (2) The official may request a recall vote in the same manner as the original election, which must be consistent with the Section bylaws. The voting membership shall be informed, through brief written statements prepared by the Executive Committee and the official, of the issues involved with the recall vote. Both statements shall be distributed to the voting membership before the vote is taken.
 - (3) The official may request a hearing and a recall vote by the remaining members of the Executive Committee. A two-thirds (2/3) vote of the remaining members of the Executive Committee shall be required to recall the official.
 - (4) The official may choose not to respond and thus forfeit the position.

Section 4. The vacancy provisions of these bylaws shall be used to fill a vacancy caused by a recall process. The membership of the Section and the Executive Director of the SOCIETY shall be informed of the results of the recall process and the replacement of the official.

BYLAW IX COMMITTEES

The Executive Committee shall establish committees as necessary for the proper operation of the Section.

BYLAW X Meetings

Section 1. The Section shall hold regular meetings at places and times designated by the Executive Committee.

Section 2. The Section may hold special meetings at the call of the Executive Committee or at the written request of 15 members of the Section. The notices of special meetings shall state the exact nature of the business to be considered and no other business shall be transacted at such meetings.

Section 3. Due notice of all meetings shall be sent to each member and affiliate of the Section. A quorum for transaction of business at a Section meeting shall consist of 15 members of the Section. No business shall be transacted in the absence of a quorum.

Section 4. The Executive Committee shall meet upon due notice to its members at the call of the Chair or at the request of a majority of the members of the Executive Committee. The Executive Committee shall have a minimum of one meeting a year. For the Executive Committee, a quorum shall be a majority of the members of the Executive Committee. In the absence of a quorum, in a called meeting of the Executive Committee, the called meeting shall be adjourned to a date when a quorum of the Executive Committee can be assembled.

Section 5. Parliamentary Authority

In the conduct of Section meetings, the rules of order not otherwise specified in these bylaws shall be the latest edition of *Robert's Rules of Order Newly Revised*.

BYLAW XI Finances

Section 1. All members and assigned Society Affiliates of the Section may be requested to pay dues voluntarily. Such annual Local Section dues may be set by the Executive Committee.

Section 2. The annual dues of Local Section Affiliates shall be set by the Executive Committee in accordance with the Constitution and Bylaws of the SOCIETY. Failure to pay such dues for the current year shall terminate the affiliation.

BYLAW XII Amendments

Section 1. A proposed amendment to these bylaws must first be submitted in writing to the Executive Committee or the Executive Committee may initiate any proposed amendment(s). If the proposed amendment is approved by the Executive Committee, the Secretary shall furnish a copy to each member of the Section when notice of the next meeting of the Section is given.

Section 2. Following announcement of the proposed amendment at a meeting of the Section and provided that due notice of the impending vote is given, the amendment will be adopted at the subsequent meeting of the Section if it receives an affirmative vote by two-thirds (2/3) of the members present.

Alternatively, or in the absence of a quorum at the meeting during which the vote is scheduled, a ballot distributed to the members of the Section, in accordance with the Bylaws of the SOCIETY, may be used. Both the current language and the amended language of the affected bylaw(s), together with an explanation of the change(s), must accompany the ballots unless such information was furnished to members of the Section previously. A deadline date, at least three weeks after distribution of the ballots, shall be specified for return of the

ballots to the Secretary or other designated officer of the Section. The amendment is adopted by an affirmative vote of two-thirds (2/3) of the valid ballots returned.

Section 3. If a proposed amendment is not approved by a majority of the Executive Committee, it may, nevertheless, be brought to the members for vote in an alternative manner. To bring about such a vote, a petition supporting the amendment, which has been signed by at least 15 members or three percent of the members of the Section, whichever is greater, must be presented to the Executive Committee. The procedure subsequently followed for general announcement of the amendment and balloting shall be identical to that used for an amendment approved by the Executive Committee.

Section 4. Amendments to these bylaws, after adoption by the Section, shall become effective upon approval by the Committee on Constitution and Bylaws, acting for the Council of the SOCIETY, unless a later date is specified in the amendment.
